liver disease

The CLDF Star Fund

Registered Charity Number: 1067331
(England & Wales) SCO44387 (Scotland)

Help us to raise funds to support our stars that shine so brightly in their fight against childhood liver disease.

Instead of sending your friends and colleagues a Christmas card, write them a festive greeting here and donate to the CLDF Star Fund. Once it's full of festive funds we pledge to name a Star to represent and celebrate all our shining stars; the children and families that we support.
