

## What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a national charity! Stop imagining, it's real and it's happening and you can be part of it...

## What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent. This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are completed in one day and your instructor will be in control of your landing.

# 10,000 FT FREEFALL PARACHUTE JUMP! CONTINUED

## Points to remember:

- Jump and training completed in one day
- Harnessed to an experienced parachute instructor at all times
- Jump from at least 10,000 feet - just like the professionals
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone
- Landing controlled by your instructor
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

## What must I do to qualify for a free jump?

All we ask is that you raise a minimum of £450 in aid of Children's Liver Disease Foundation. The CLDF fundraising team will be on hand to help with every stage of your fundraising from setting up online fundraising pages, to tips on how to best spread the word about your fundraising, help with press and PR if you're interested, fun fundraiser ideas and tonnes of support.

# PAYING YOUR SPONSORSHIP MONEY

## Tandem Skydive

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. Remember, as long as you raise the minimum £450 sponsorship level you can recover the cost of the jump from your sponsorship money - which means you get to jump for FREE!

## Booking Deposit

You must provide the standard £70 booking deposit to Skyline when you book online, this is an admin fee and is non-refundable. **NB for a limited time booking fee has been reduced to just £35!**

## Tandem Skydive

We will discuss with you the best payment option for you. If we know you will achieve your £450 minimum sponsorship target, Skyline can invoice CLDF for your jump beforehand and you do nothing. Alternatively you can pay for your jump on the day from your minimum sponsorship money raised. Jump cost varies from airfield to airfield but is generally between £170-£220. You must provide minimum sponsorship money to CLDF and this can be postdated by up to four weeks. This postdated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your sponsorship money after the jump before it is due to CLDF. Precise instructions on how to operate the above system will be sent to you upon receipt of your booking and booking deposit.

**NOTE:** *We cannot start organising your jump for you until we receive your booking and appropriate booking deposit - please do this as soon as possible so that we can give you the date of your choice and so that you can start preparing yourself for what has often been described as 'the experience of a lifetime'!*

## **Booking Terms and Conditions**

1. If you are jumping for a charity and wish to recover reimbursement of the cost of the training and the jump, you must raise the minimum sponsorship money appropriate for your chosen jump as detailed on the 'Free charity jumps' page on this website. If you also wish to recover reimbursement of the deposit you must raise this portion of your sponsorship offline – deposits cannot be recovered from funds raised online.  
If you are purchasing the jump for yourself the cost for the training and the jump must be paid on the day of the training and this payment is totally non-refundable even if you do not jump for any reason.
2. If you are buying a Gift Voucher the full cost of the jump must be prepaid as indicated on the Book Online form. This includes a £70 non-refundable booking deposit as referred to in 3 below and the remainder which represents the fee for the jump and all associated training which is passed on by Skyline Promotions Ltd to the parachute centre who are solely responsible for these elements. Gift Vouchers are refundable within the first 28 days subject to a £30 administration fee. Gift vouchers must be redeemed within 12 months but can be transferred to another person within this period.
3. All booking deposits are completely non-refundable and are payable to Skyline Promotions Ltd and cover various costs including without limitation assisting you to find an airfield where you may carry out your jump and in the case of gift vouchers the design and printing of the voucher. Such booking deposits are valid for twelve months from the date of booking and should the jumper not be unable to complete their jump due to inclement weather alternative arrangements will be made. 'Open dated' gift vouchers may be redeemed at any time within this twelve month period.
4. Should the weather be unsuitable for jumping on the day it will be up to the jumper to return to the parachute centre on another occasion(s) if necessary to complete their jump.
5. A fee of £50 will be charged for all cancellations or changes of jump date. A fee of £100 will be charged for any cancellations or date changes within 48 hours of the booked date. This will be taken automatically from the card you entered when paying your £70 booking deposit. This is in addition to the standard prices indicated on this website.
6. Once a specific date has been booked, you will automatically become bound by the terms and conditions that individual operator may have.
7. Skyline Promotions Ltd in consideration of the payment of the booking deposit will take all reasonable steps to arrange the jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. Skyline Promotions Ltd acts as your agent in arranging for the jump and not as the agent for the parachute centre. Skyline Promotions Ltd use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd as to the suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

For all jumps you must weigh under 15 stone with your weight in proportion to your height. Please note some centres have lower weight limits - please contact us for details. The principal medical restrictions for all jumps are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. If you wish to take advantage of this scheme then please refer to the insurance page for full details.
