Children's Liver Disease Foundation Facebook Fundraising

Facebook donations are a great way to raise money for us, and the even better news is that setting up a Facebook Fundraiser is easier than ever.

1. Click  **Fundraisers** in the left menu of your News Feed (or go onto the menu in your app and scroll down).
2. Click **Raise Money**.
3. Select **Nonprofit** or **Charity**.
4. Select '**Children's Liver Disease Foundation**' and choose a cover photo (use our suggested photo or see [here](#) for ideas).
5. Create a title and write a description for your fundraiser — make it personal and show why you would like to support us.

Example title: Supporting Children with liver disease

Example description: I'm raising money for Children's Liver Disease Foundation

Children's Liver Disease Foundation is a charity close to my heart that works with children with life-threatening liver disease. It has been hugely affected by a fall in income whilst working to maintain vital services to very poorly children and their families. Their services help to protect the NHS, relieving liver teams of pressure by supporting patients on a one-to-one basis and providing-up-to-date information for young people with a liver disease and their families. Please help by donating.

6. Enter your own fundraising target and **put the end date as 20th May 2020**.
7. Click 'create' and you're ready to go!
